## WHAT IS FAIRTRADE FORTNIGHT?

**Fairtrade Fortnight is an annual campaign organised by Fairtrade Australia and New Zealand that celebrates all things Fairtrade.**

It is an opportunity to work with you, our partners, to:

- raise awareness
- promote Fairtrade products
- highlight YOUR positive impact.

**All with the aim of increasing purchases of your Fairtrade products.**

Show your customers what your brand stands for and highlight your Fairtrade certification, leadership in sustainability and positive impact.

## WHAT IS FAIRTRADE FORTNIGHT?

**During Fairtrade Fortnight, our brand will be front and centre. To take advantage of this, you need to emphasise your connection to Fairtrade and your Fairtrade products.**

- The messaging for the campaign is telling consumers: by buying Fairtrade, you're choosing a better future. We'll be instilling FOMO, reminding consumers that fairness is a human quality that we all practice daily. It's the norm and if they're not already on board, they're missing out. This creates an opportunity for you to leverage the Fairtrade brand and position yourself as leaders and supporters of this fairer future.
- The result of the campaign will be to tap into the ethical and sustainable consumer trends, to enhance visibility for Fairtrade products on shelves for mainstream and ethical shoppers alike, creating a greater understanding for consumers of the power of their purchase.
- **The range of assets provided in this doc create an easy way for you to promote your own Fairtrade offering and unique impact.**

## HOW YOU CAN GET INVOLVED: PART TWO

### 4. highlight your Fairtrade product

A lot of businesses choose to celebrate Fairtrade Fortnight by putting their products on promotion in retail or on their online store.

**Let us know if you're doing this and we can help share the word.**

### 5. host an event

Speak to us about your plans and how we can support you. Some event ideas include:

- Product tasting at a supporting cafe or an Instagram live event featuring a guest who can speak about your Fairtrade impact.
- Organise a movie screening of Make The World a Better Place - Fairtrade and the Sustainable Development Goals.

### 6. partner with another Fairtrade brand

We can connect you with a Fairtrade brand that you think would be great to collaborate with.

Double your reach with like-minded new audiences.

An example we love is the collaboration between Thunderpants and All Good to release a banana range of underwear.

## USE THE CAMPAIGN MESSAGING

**Choose a world where women are respected.**

**Choose a world where the environment is taken care of.**

**Choose a world where everyone is treated fairly.**

The future is fair  
Will you be the last?  
Have you bought Fairtrade today?  
It's happening all around us  
A better future is HERE

Do you have other ideas of how you'd like to be involved that we can support?
